# Your son's or daughter's senior year starts in just four weeks!

***Book now, before school starts and save 50% off your photo shoot!  
Turn page over for valuable coupons on your senior pictures!***

Dear Class of 2011 Senior and Parent,

The calender says August right now but you need to be thinking like it's September! Remember... It takes time to get an appointment, be photographed, get the proofs, choose your favorite poses, make a specifically sized custom made yearbook portrait and deliver it to your school. In that respect, your deadline is drawing very near— but we can still get you in if you act right now!

Call 585.924.8870 today and rest easy knowing everything will get done, you'll look great and still make the yearbook deadline in plenty of time!

## Yearbook Deadlines...
